

THE WAY

ANCIENT HISTORY EXCURSION

As part of their studies into Ancient History & archaeology, students from Year 11 & 12 visited the new Chau Chak Wing Museum at the University of Sydney.

Students undertook a tour of the museum, seeing a Lego recreation of Pompeii, ancient weaponry and mummified human remains. The students also participated in a hands-on workshop where they learned about the technical aspects of archaeology and how it helps us to uncover the ancient past.
