YEAR 4 BAND PROGRAM

As you know, the College has the privilege of being able to offer each student in Year 4 the chance to learn an instrument as part of their music studies.

They have just completed their first round of performance and listening assessments, and many outstanding results were achieved amongst the grade. Those students that are practicing consistently and doing well will also begin to be invited to join our Junior Concert Band in the coming weeks, and many students are excited about this opportunity which is excellent to see. There is also a fun incursion coming up for the students at the end of this term – more news on that event soon! Well done to all the Year 4 students, and thanks to the parents for their support as they learn their instruments.
