## INTERMEDIATE STAGE BAND

**The Intermediate Stage Band are a very talented group of young musicians from years 6-8 that rehearse together once a week.**

They are learning funk and jazz arrangements of classic pop and jazz tunes. This week, they performed Queen's classic hit 'Crazy Little Thing Called Love' at our Monday UNITE WEEK assembly, and all students performed very well.

Congratulations also to our featured singers for the item, Stella Ford and Lucia Garrido from Year 8. The students look forward to the next time they can perform soon.
