

THE WAY

Thank you to our students and teachers for such a strong support of 'UNITE' events during the week in celebration of the diversity of our College.

Today on the Rawdon Middleton Oval all students from Kindergarten to Year 12 came together to be part of a wonderful ceremony which included an Acknowledgement of Country by Mr Darren Duncan representing the Gandangara Local Aboriginal Land Council. A large number of students were directly involved in speaking, singing and dancing around the UNITE themes. Congratulations and thanks to the organising team who have laid the foundations for the future occasions.

Mid Term 2 is the time of assessing and preparing of academic reports across the College ahead of Parent Teacher events; this year to be held on Zoom. Thank you in anticipation of your feedback early in Term 3 regarding the use of Zoom for the Parent Teacher events.

The College is a participant in a Pilot Project with the NSW Kids Guardian to assist in the development of resources for schools in the revised Child Safe Program. Following the Royal Commission into institutional responses to Child Abuse the NSW Kids Guardian have been working hard to bring best programs for schools. This is an important project and we are pleased to assist.

Our College Council, with Craig Moore as Chair, takes time each year to look at the plans for the future of the College. Their planning sessions this year occur in June and no doubt there will be feedback to the community later this year.

Thank you for your continued prayer and support at this time.
