

THE WAY

MADE FOR STAGE

On Wednesday night we hosted MADE for Stage at the College.

It was a fantastic night to showcase the works of our Senior School students. From 6-7pm guests were able to enjoy the art display in the MRK, which featured many different styles of art. This was followed by a concert featuring live music, dancing and drama. Every student who performed should be very proud, it was such an entertaining night and a great way to showcase the mixed talent of students. We were very fortunate to have the night hosted by Rebecca Selley, who also performed a solo and with our students.

Thank you to all the students and staff for their time and effort in making the night happen.

A recording is available to purchase on our website www.thac.nsw.edu.au/book
