## SENIOR SCHOOL SPORTS AWARDS ASSEMBLY

**On Monday the 10th of June we held a Special Assembly to commend Senior School Students who have demonstrated excellence and service in College Sport Programs throughout Semester One.**

Students also had a special visit from Paige Hadley. Paige is an international netball player who plays for the Australian National Netball Team the Origin Diamonds and NSW Swifts. She has been awarded the Ian Thorpe Outstanding Achievement Award and won National and International titles in her Netball career.

She gave an inspiring talk to the students and also during the assembly competed in a staff versus students shoot out!

The College commends all of the following students for their effort, service and dedication to sport at Thomas Hassall.
