

THE WAY

THE GROOVE & THAC FM

Our live lunchtime entertainment was back last week with live performances and record spinning from our Year 12 MC's.

This is always a fun session, with a selection of our senior students performing for their peers as they enjoy lunch and sunshine. This time, both of our Contemporary Bands performed 2 songs each. The intermediate group performed 'Rosana' and 'Don't Start Now'. The Seniors performed 'Hold the Line' and 'On my Mind'. The Year 12 hosts were Angus M. and Joey M, and these boys are always entertaining updating students with College community news and music trivia. Well done to these students, and we look forward to more GROOVE & THAC FM sessions next term.
