

THE WAY

YEARS 1 & 2 CREATIVE ARTS

Last Thursday night we had our Creative Arts performance and it was fun and amazing .

2C were first and we had to wait but we got to play games.

I was a little nervous but still had fun. I felt happy that the parents liked it and found it funny. I felt proud after I did my performance. 2C and 2W were doing a dance like we did.

My favourite bit was when we did the Egyptian dance. I also liked the Year One performance. My favourite song was the two by two song. I was so excited that I thought we were late. On our way there I saw Rocky and walked with him.

My parents were so proud that we got to go to McDonalds. I was so tired that I nearly fell asleep in the car.
