

THE WAY

YEARS 5 AND 6 CAMPS

It has been a busy week for students in Years 5 and 6 with camps taking place.

Students in Year 5 went to Wedderburn Christian Campsite. Through a range of activities, students were encouraged to enhance teamwork, encourage self-worth and inspire analytical thinking. Some of the activities students participated in is archery, the flying fox, Adventure walks, movie nights and lots of other great opportunities.

Our Year 6 students enjoyed a trip to Canberra and learning about Parliament House. Some of the attractions they visited were the Australian War Memorial, Questacon, a tour of Parliament House and the Australian Institute of Sport.

It was a great opportunity to further enhance their learning and also help strengthen relationships with their peers through teamwork.
