Back in July, Year Pastoral Care classes were challenged to take on a Master Cook challenge for 2021 in the early weeks of our Blended Learning routine.

The criteria are as follows:

- ⇒ Submit a typed up a recipe for your meal (including ingredients, method and a picture
- ⇒ Submit a clear shot/s of the final plated meal
- ⇒ Submit picture of family members enjoying the meal
- ⇒ Submit a picture of the meal scored by mum/ dad or a family member.

The winner will be awarded \$100 to their PC class to share

A pleasing number of students went to a lot of effort to cook meals for their families and to submit their entries. Congratulations to those students for having a go.

Mr Roper and I created three runners up categories because the entries were so good. The students who received awards for these categories include:

The Ninja Award – Aaron C

Best Cinematography award - Paras S

Best Music (Bee-Bop) Award - Lillian E

Our winner, is Liliana S from 8 Liddell 1. Congratulations and well-done Liliana.
