

SENIOR CONCERT BAND THRILLER

Three's a Crowd!

Our Senior & Intermediate Concert Bands are currently working on one of Michael Jackson's biggest Hits - THRILLER!

Students task for the week was to record themselves playing their parts to receive feedback, and prepare for a larger exciting project that is in the pipeline. However, this family took the task to the next level and performed as a trio! You will see Callie on Trumpet, Eowyn on Clarinet and Aedan on the Drums. Together, they are creating rhythm, melody and harmony very nicely.

Well done to these students, and all the band students for working hard after school several afternoons a week to keep music alive in your homes. Keep up the good work everyone, and thanks again to these students for the creative video and great performance!

Mr Byron Mark

Director of Ensembles
