GO NSW SWIFTS!

Congratulations to the NSW Swifts!

Earlier in the year, our Senior School students had a Special Assembly to commend students who had demonstrated excellence and service in College Sports Programs. We had a special visitor, Paige Hadley, who presented students with awards and also participated in a shoot-out competition!

Paige is an international netball player who plays for the Australian National Netball Team the Origin Diamonds and NSW Swifts. On Saturday, Paige Co-Captained the NSW Swifts to win the Super Netball title. They beat the Giants 63-59 in the grand final in Brisbane.

The NSW Swifts are Super Netball champions for the second time in three seasons.

Congratulations to Paige and the team on their great win.
