

JUNIOR SCHOOL CREATIVE EXHIBITION

Junior School students have an opportunity to have their work featured in an online exhibition!

Wellbeing Wednesday last week and this week will be focusing on the creative and performing arts. Students will complete 1 - 2 activities each week from the grid of activities.

We will be holding a virtual exhibition to showcase the work they come up with. Students can choose ONE from the list to submit as an entry for the exhibition. Participation is not mandatory.

If your child would like to be in the exhibition, you will need to submit your photo or video [via the form](#) by Thursday 9 September.

We look forward to seeing the work they come up with!
