JUNIOR ASSEMBLY PERFORMANCES

Music Concerts at Home

Whilst our online assemblies continue to take place, we are excited to introduce live music again to these events - although this time, just a bit different. Select students perform a piece from their home, and send this through to be streamed during the assembly. This weeks' special guests featured one student each from Grades 3-6.

Annabelle Y (Yr3) performing on violin; Daniel B (Yr4) performing on cello; Anvesh S (Yr5) performing on flute; and Tamara A (Yr6) on trumpet. All four students performed beautifully, even introducing the names of their pieces before playing. Warm congratulations to Annabelle, Daniel, Anvesh and Tamara for their fantastic performances, and please watch these in the videos below in case you missed it in the online assembly last week. Also, if you're able to tune into the P-6 assembly on Thursday this week, you will have the opportunity to see the students featured in this event too!

Mr Byron Mark

Director of Ensembles
