THE WAY

THE WAY WEEKLY RECAP I
FRIDAY 15 OCTOBER 2021

FROM THE CHAPLAIN

I Am Completely Puzzled

Life is puzzling and unpredictable, one day it is sunny then next it rains, one day we are in lock down the next we are free - life seems random.

If we based our emotions on our circumstances we would be as mad as the times are.

To flourish in these constantly changing times we need to have a big picture of life to guide us through its apparent randomness. We need a big picture to give our decisions some context. What do you think the big picture to life is? If someone asked you, what would you say?

I believe that in all things God works for the good of those who love him. Why not join me as a explore this idea in this week’s devotional.

For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.

Romans 8:38-39 - 'If you love Jesus, live your life according to His promises not your circumstances – circumstances pass and His promises do not!'
