JUNIOR CHOIR

Choir Composers

Junior Choir have been busy composing verses to the Bruno Mars song 'Count on Me'. They've been expressing their difficulties of being away from friends and being on screens most of the day but also the positive message of being available to support each other knowing that this will end and they will be reunited. It's been wonderful to see the effort that the students have been making on this project and seeing their creativity shine.

Well done Junior Choir.

Miss Simone Rapisarda
