

JUNIOR STRINGS ORCHESTRA

Stringing Along

The Junior String Orchestra have been rising to the occasion by attending early morning rehearsals before College each week. The students have begun learning two new songs 'Jackeroo Jive' and 'Dance of the Cossacks' in order to lighten the mood of lockdown.

They are looking forward to rehearsing together again when restrictions allow, but are working hard on their parts individually in order to be ready when that joyous day arrives.

Well done Junior Strings for all your efforts.

Mr Byron Mark

Director of Ensembles
