

REMEMBRANCE DAY

On the 11th hour, of the 11th day, of the 11th month, we remembered and honoured the service men and women who have served our nation.

Our students all had a time of reflection and did various activities to learn about Remembrance Day.

5G spoke about what the Poppy represents. The artwork we completed incorporated the Poppy and the Ode. It was a time of thoughtful discussions questions.

We will remember them.
