MARCH 2022

FROM THE DIRECTOR OF ICT

Quickly view upcoming class activities, homework and assessment tasks using Canvas.

The calendar feature in Canvas provides an easy way to keep track of the tasks your child in Years 7 - 12 has coming up.

Tasks can include class activities that need to be submitted for feedback, homework, draft submissions and formal assessment tasks.

Using the Canvas website, navigate to the calendar option in the menu to view the calendar:

The screenshot shows the Canvas user interface. On the left is a navigation menu with options: Account, Dashboard, Courses, Calendar (highlighted), Inbox, History, Studio, and Help. The main area displays a calendar for March 2022. The calendar shows tasks for various days:

- Monday 28: 10ABA Partial ess, 11 Ext-1 - Utopia
- Friday 4: Practice Source A, Term 1 Week 4 M, Term 1 Week 5 M
- Wednesday 9: 08:15 Assessment
- Thursday 18: 15:00 Exploring Tr
- Thursday 24: 15:00 Source Task
- Friday 25: 08:15 Multimodal

 A secondary calendar view is visible on the right, showing a monthly overview for March 2022. Below the calendar is a 'CALENDARS' section listing various subjects and users, such as Megan Bennett, Abide, All My Own Work, Ancient History Year 11, Assessment Information - Year 10 2022, Assessment Information - Year 11, CAREERS, Carmichael, Child Studies Year 10, and Christian Studies Year 10.

The calendar on the Canvas website will display tasks for all children you are observing.

Alternatively, you can use the Canvas Parent app to view the calendar using the calendar menu option at the bottom of the screen:

The Canvas Parent app displays calendars separately for each of the children you are observing. You can change which child you are observing using the menu at the top of the screen.

Regularly checking the calendar in Canvas will help keep you up to date with what your child has coming up, enabling you to support them in their learning at the College.

If you have any questions regarding Canvas, please email canvasobserver@thac.nsw.edu.au
