APRIL 2022

PARENT COMMUNITY NETWORK

At Thomas Hassall Anglican College, we love to work together with our families to create community.

Our Parent Community Network is one of the most important ways we achieve community and we would love you to join in 2022!

The Parent Community Network provides support to the College through:

- Assist in the classrooms as part of reading groups (K-2) and on excursions
- Assisting at events (sports carnivals, stalls, creative arts events, College community events)
- Representing the Parent Community at community events such as Open Day and South West Festival
- Organising get-togethers for grade groups outside of school hours

In order to become a part of the Parent Community Network, it is essential to have your Working with Children Check (which is free for volunteers) and participate in the online induction which includes Privacy and Child Protection Training.

There will be 45 minute training sessions in Week 1 of Term 2. There are three times to choose from:

28 April 8.30am

28 April 5pm

29 April 2pm

If you would like to volunteer at the College please register your details using the following [Application Form](#)

Mrs Carmen Pasapera

Marketing & Community Relations Manager
