

#### TERM 1 I THE WAY NEWSLETTER I FRIDAY 1 APRIL 2022

# WRITING COMPETITIONS

# There are many wonderful writing competitions running in Australia.

We have compiled a list of the ones we are aware of that are valid for us in NSW. If your child has a talent or passion for writing, they may want to enter some or all of the competitions below.

Please note, every competition has specific terms and conditions. Please make sure the guidelines are followed closely to make sure work is accepted. These could include age of child, length of submission or even things like size, font and spacing of the text.

These competitions are run outside of Thomas Hassall Anglican College, but we would love to hear of any success stories. You could let Junior School know via <u>asaville@thac.nsw.edu.au</u> or Senior School via <u>mpettet@thac.nsw.edu.au</u>
