

MUSICAL STUDENT ORCHESTRA REHEARSAL

Musical Student Orchestra Rehearsal

Over the past month, our student orchestra have been joining the full cast for their Saturday rehearsals. During this time our students have completed learning the entire score for Shrek the Musical and are doing a very good job at reading and playing this professional music. They are

looking forward to rehearsing next week together with a number of professional musicians who are joining the orchestra. This will be a great experience for our students to play alongside these musicians and be inspired by their sound.

Make sure you book your ticket for the show and stick your head in to the orchestra pit to check out the action.

Mr Byron Mark

Director of Ensembles
