APRIL 2022

JUNIOR BANDS

During the Easter Hat Parade on the last day of Term 1, the Junior and Intermediate Concert Bands had the opportunity to perform for parents and all those involved in the event. This was an exciting day, as it was their first live performance in over a year. The students were meant to perform at the Camden Show earlier in the month, which was unfortunately cancelled due to the floods. Well done to all these students for a fantastic first performance, and we look forward to presenting other performances to the College community throughout the year.

Mr Byron Mark

Director of Ensembles
