

PARENT AND CARER WEBINAR

Learn how to set up parents controls on devices and apps to keep your children safe online.

eSafety Commissioner's expert education and training team is running free live webinars in May about how to manage settings on devices and apps.

Parents and carers of young people aged 4 to 13 years are invited to join.

Find out how to set up devices and apps to help keep young people safe online. This webinar will include practical tips, demonstrations and advice - designed for parents and carers of kids aged 4 to 13 years old.

The presentation will cover:

- the benefits and limitations of parental controls
- how to safely set up iOS and Android devices
- how to safely set up popular games and apps, like YouTube and Roblox
- family tech agreements and other parenting strategies to manage online risks
- how eSafety can help you when things go wrong.

Tuesday 31 May: 12.30-1.30pm

Thursday 19 May: 12.30-1.30pm
