

CINCO DE MAYO

Year 1, 2 and 3 students participated in a Cinco de Mayo Fiesta as part of their Spanish program.

Cinco de Mayo is an annual celebration held on May 5th to commemorate the Mexican Army's victory over the French Empire at the Battle of Puebla. Over the years, it has evolved into a huge celebration in many communities across the world to honour Mexican culture and heritage.

Students explored and immersed themselves in Mexican culture by participating in different classroom activities, which included learning the history behind this celebration, making crafts, learning traditional songs and dressing up.
