Instead, the boys discover empty streets, abandoned cars, and utter silence—everyone has disappeared. As the friends attempt to solve the mystery, they stumble upon more questions than answers. Why won't the electronics work? Where did the wind go? What do the notebooks full of gibberish mean? With each new discovery, they learn that nothing was ever quite what it seemed on Echo Island and that a deep secret is drawing them in—if only they would surrender to it. Join Bradley, Jason, Archer, and Tim on this exploration into myth and mystery.
