

# THE WAY

## HISTORICAL FILMS REVIEW

**Mr Mills' Year 9 Extreme (Elective) History class have been learning about historical films and the way history is represented in this medium.**

As part of their recent Assessment Task, students wrote film reviews about a favourite historical film and assessed their historical accuracy through investigating a range of primary sources.

We have published these reviews to our own class website - <https://historicalfilmreviews.wordpress.com/>

Why not check it out and read a film review?
