

THE WAY

GRANDPARENTS DAY

It was a lovely day in our Junior School as we welcomed Grandparents to the College.

The day started at MRK with a morning tea together. We then had a special assembly with performances from our Year 4 band, Drum Circle, Junior Choir, Dance groups and strings ensemble.

Following the assembly, there were classroom visits where grandparents got to see what they were learning. Throughout the day there was also a book fair in the S Block Hall.

Thank you to everyone who came along and made it such a special day.
