

THE WAY

JUNIOR STRING ORCHESTRA

The Junior String Orchestra is growing!

Several new members have joined the Junior String Orchestra this Term and the students have been working hard at rehearsals in anticipation for their first public performance at Grandparents Day today.

They performed two pieces for the occasion, 'Big Ben Boogie' and 'The Music Box'. For many, this was their first time performing with the group and they were excited to be participating in this event. Mr Ehab Ibrahim conducted the orchestra and it was a great performance.

Mr Byron Mark

Director of Ensembles
