

THE WAY

VOLLEYBALL NSW ONE DAY SCHOOLS CUP

Monday the 6th of June, students in Years 7-8 travelled to netball central to compete for the first time in the Volleyball All Schools Cup.

This was an exciting experience for the team and their coach Mr Wong since this was the first time Thomas Hassall entered a team to play in this competition.

The day started out with some early training and game strategy leading the team to their first victory, giving them the confidence for the rest of their games. The students then went on to successfully win against the rest of the competition and then placed 1st to play in the grand final against Tempe High School.

This was an extremely close game, but Thomas Hassall held their own composure and used the confidence they had gained all day to come out with a win, 2 sets to nil. Our volleyball players are so excited to continue their training throughout the year, work on their skills as a team and then enter into more competitions.

Congratulations to these students; Antonia A, Dante G, Melina L, Alex L, Dante M, Sotiris M,

Vladimir M, Matias S, Seraphina T, Hannah T, Max V, Eric W.
