## YEAR 12 COACHING

**With the Primary School Athletics Carnival next Thursday, The College Year 6 students will be more prepared than ever before. World Records are set to tumble!**

This term our Year 12 Sport Coaching students have been running Athletics coaching sessions every Thursday for the Year 6 Students of the College. The students who take the Sports Coaching course work towards a nationally recognised qualification in Sports Coaching. This qualification provides a pathway to work in community coaching and organisations in the Australian sport industry.

Throughout the term students have Year 6 students have developed some wonderful relationships with our soon to depart Year 12 students. This has been a wonderful teaching and learning experience for all involved and certainly highlights the benefits of a Prep to Year 12 College.

Well done Year 6 Students and the following Year 12 Coaches:

Mason A, Talia A, Sarah C, Brendon De L, Jordan H, Nikoleta H, Javier H, Kate I, Makayla J, Carlos L, Nathan S and Brandon V.
