## FRISBEE COMPETITION

**On a sunny June day, the Years 7-9 Frisbee team battled Macarthur Anglican School in the Grand Final.**

We started strong, creating many opportunities, and converting twice leading 4-2 at half time. In the second half, we took the lead to 8-2.

The team held on tightly (to the frisbee, that is) winning the championship trophy (8-4). Special mention to crowd favorite Joel. He defensively slapped frisbees out of the air, like squatting flies. Thanks to Matias who helped coach the team and to Alex and Mitch who helped greatly with logistics.

Well done to all team members. You played with such enthusiasm and determination. I am proud of you all: Tiana, Mia, Andrea, Christina, Georgia, Chavas, Billie, Amelia. Dominic, Matias, Alex, Joel, Angelo, Mitch, Elias.
