

SOUP AND SONGS

HSC Performance Evening

This week, our Year 12 Music class treated us to a wonderful evening of entertainment at Soup and Songs. Each of the students showcased part of their HSC program, with two students presenting original works on the night. These individuals also organised the entire event and learned important skills in logistics and how to liaise with key departments around the College. We are very proud of their efforts.

We also extend a big thank you to everyone who assisted with putting on the evening including the MRK team, AV crew and everyone who came out to support the show.

See you at Illuminate!
