HOUSE TERM 3

The race for the House Cup continues this Term and the winning House for 2022 will be revealed in the final week!

House soccer is a crowd favourite and our Houses will form their most formidable teams for competition this term. Wilberforce is currently in the points tally lead, will the Term 3 House Quiz and soccer even out the scores? Can Carmichael retain the Cup for a second year in a row? Will Liddell and Lewis turn things around for a major upset late in the House year? Get ready to bring your best and have fun in all House events this term.
