

THE WAY

MARKET DAY IS BACK!

Last seen in 2019, the Commerce Market day is back on Monday of Week 5.

Sixty students from two year 10 Commerce classes will be running their own small business on Monday of Week 5 to raise money for Miracle schools. There will be a range of products including pizza, doughnuts, a range of desserts and slushies. Students are only able to handle cash, so bring your money with you on Monday 15 August to buy yourself a treat.
