

## MARKET DAY IS BACK!

**Last seen in 2019, the Commerce Market day is back on Monday of Week 5.**

Sixty students from two year 10 Commerce classes will be running their own small business on Monday of Week 5 to raise money for Miracle schools. There will be a range of products including pizza, doughnuts, a range of desserts and slushies. Students are only able to handle cash, so bring your money with you on Monday 15 August to buy yourself a treat.
