

YEAR 9 EXTREME HISTORY

This Term the Year 9 Extreme History class have been studying the Vikings, as part of our unit on Warrior Societies.

Last Thursday we had the privilege of Mr Smith visiting our class with his replica of a Viking sword. Students enjoyed examining its elaborate decorations, as well as holding it and wielding it for themselves. Some students even commented that they would like to save up for their own Viking sword some day!

Note: No Extreme History students were harmed in the making of these photographs.
