# HEATING UP IN YEAR 3

Copyright Thomas Hassall Anglican College. All Rights Reserved. 125 Kingsford Smith Ave, Middleton Grange NSW 2171

**On Tuesday in Year 3, classes participated in an exciting Science Day with their teachers!**

All students were involved in a range of experiments to do with heat energy. They investigated how heat moves; the changing states of water and which materials conduct or insulate heat. We love having fun while learning in Year 3!
