Senior Musicians Play a Professional Gig

Last Friday 29 July, two of our Senior Ensembles performed at the South West Sydney Academy of Sport (SWSAS) annual awards evening at the Campbelltown Cube.

This was their first public performance since the pandemic, and it was a fantastic opportunity for them to experience performing a corporate style gig for a large audience. In front of over 600 people, our Senior Stage Band and the Saxophone Quartet performed a 30 minute set each.

The students did so with amazing professionalism, and received lots of great feedback, with the best part being that the audience would like to hear more music next time they play! To continue the gig experience, our students got to enjoy their own green room and a free dinner, which they all loved!

Well done to all of our student musicians, and thanks to SWSAS for trusting our students to entertain their audience. We look forward to more opportunities like this in the future. The students will next appear at the Manly Jazz Festival on Friday 23 September.
