YEAR 7 CAMP

On Thursday 11th August, Year 7 travelled to Youthworks Conference Centre – Port Hacking for the Year 7 Day Camp.

Students had an amazing day participating in a range of activities such as, orienteering, indoor rope climbing, sailing, fishing, dragon boating, indoor rock climbing and an incredible race. These activities provided students with a range new experiences and an opportunity to challenge themselves in a safe and supportive environment. It was great to see students continue building and making new friendships with their peers and connecting with staff throughout the day.

Here is what some of the Year 7 students had to say about camp:

Tia V: “My experience for the Year 7 camp was very positive. I had an opportunity to meet other Year 7 students, play different activities and build new friendships.”

Aubrey M: “I thoroughly enjoyed camp as I got the opportunity to experience new activities. The activities planned were great and I enjoyed my adventure. I had the great opportunity to build new friendships and meet new people.”

Paul D: “My experience at camp was amazing as I got to partner up with other students from different PC classes. My favourite activity was the orienteering as we had to work together to find all the checkpoints.”

Kristijan L: “My favourite experience from camp was when I got to the top of the indoor climbing wall. Camp was great because I got spend time with my friends and experience new things.”

Camp was a great experience for everyone and we look forward too many more camps here at
