YEAR 11 CAMP

Year 11 Camp was held over 3 days at Waterslea in the Shoalhaven region.

It was a wonderful time to be together as a cohort and build teamwork skills. With a mix of initiative and team building activities as well as sessions that focused on life skills such as study habits, interview skills and resume writing students had the opportunity to try new things in a relaxed and enjoyable environment. The night-time provided great fun for everyone to gather together and enjoy trivia on the first night and karaoke, games and a campfire on the second night. One further highlight of the camp was hearing a devotional talk from students each morning. We would like to express our thanks to the staff and students who helped to make this camp a fantastic experience.

Here are a couple of comments from students who attended the camp about what they enjoyed:

"Karaoke night was my thing of many things that I loved about camp this year. Mr Truong's jokes were the best".

"I loved the way camp brought me and my friends closer."

"I enjoyed the teamwork activities as I was getting involved with people I don't often talk to at school"

"My favourite thing about camp was how much it brought teachers and students together to work as one. An activity which I saw this teamwork present was when we (as groups) had to build a

chair from Ikea, it was hard at first, but after good communication and encouragement, became easy and fun!"
