

BOOK WEEK

Book Week is nearly upon us.

To celebrate our love of reading, students will take part in a Book Week event on Monday 22 August 2022. The Prep 2-day program will celebrate their Book Week on Friday 26 August 2022.

Students from P-6 will come to College dressed as their favourite book character for the day.

Alternatively, students may bring an accessory that depicts an aspect of a character or part of their favourite story, e.g. for the book *Charlotte's Web*, your child could decide to bring a small stuffed pig or sit a spider on the shoulder to portray the book.

In classes, students will have the opportunity to speak about their favourite book, perhaps giving clues to their peers to guess which story they are representing.

We look forward to celebrating reading in College.
