

JUNIOR ASSEMBLY

Sizzling Strings

At the Junior Assembly on Friday 26 August, Daniel B performed on the cello Tarantella by W Squire. Daniel is working towards his AMEB Grade 5 exam later this year and exhibited his hard work and commitment to mastering his instrument by playing this fast paced piece. A Tarantella

is an Italian folk dance that is characterised by light, quick steps and the women often carry tambourines. It was associated with the bite of a tarantula spider and victims were seemingly cured by the frenzied dancing.

Well done Daniel on performing at the assembly.

Mr Byron Mark

Director of Ensembles
