

YEAR 7-9 NASSA AFL GALA DAY

With Finals Footy happening this month it was a great week for our Years 7-9 male and female AFL teams to compete in the New Anglican Schools Sports Association AFL Gala Day.

Our College teams had a fantastic day and were very competitive in both competitions.

Our most successful team was our girls team as they just missed out on the Grand Final as result of being narrowly defeated by St Lukes Grammar in the Semi Final.

It was a wonderful day and great to see our students interact and compete against other Anglican Schools, something that has been really missed the last few years.
