'The Healer's Apprentice' - Melanie Dickerson

"Two Hearts. One Hope. Rose has been appointed as a healer's apprentice at Hagenheim Castle, a rare opportunity for a woodcutter's daughter like her. While she often feels uneasy at the sight of blood, Rose is determined to prove herself capable. Failure will mean returning home to marry the aging bachelor her mother has chosen for her a bloated, disgusting merchant who makes Rose feel ill. When Lord Hamlin, the future duke, is injured, it is Rose who must tend to him. As she works to heal his wound, she begins to understand emotions she's never felt before and wonders if he feels the same. But falling in love is forbidden, as Lord Hamlin is betrothed to a mysterious young woman in hiding. As Rose's life spins toward confusion, she must take the first steps on a journey to discover her own destiny."

'The Healer's Apprentice' is a beautifully written story of young love, duty and honour. With an almost fairy tale style of storytelling, author Melanie Dickerson has woven together a tale that is both enjoyable and memorable. Main protagonist Rose is a compelling and believable character, her choosing to follow her heart all while living a life that is true to her beliefs will resonate with many readers. A great book that is suitable for students in Year 7 and above. Lots more books by Melanie Dickerson are available to borrow from the IRC.
