HOLIDAY PROGRAMS

HOLIDAY PROGRAM

Join Motiv8sports during the Sept/Oct school holidays and experience Australia's greatest multi-sports event designed for Primary school children.

The Mega Camp is held every September/October with our campers being split into our 4 x battle teams who will compete for points over 2 days to be crowned champions of the MEGA CAMP CUP. The scene will be set for our campers as they are taken to a future sports dreamland where the worlds best sports stars are split into 4 x incredible All Star Nations.

8:30am-3:30pm daily

For ages Kindy to Year 6

Code Camp

27-29 September

Spark: New to Spark, code and create your own Minions game! Choose your Minions characters, themed backgrounds and collectibles, and then bring your game to life via drag and drop coding or JavaScript.

Ignite: If you're ready to take your child's coding skills to the next level after completing Spark, Ignite is the perfect place to level-up! Ignite introduces JavaScript where students will build an awesome new game with advanced features using a mixture of drag & drop and JavaScript coding.

New to Ignite, code and create your own Minions game! Choose your Minions characters, themed backgrounds and collectibles, and then bring your game to life via drag and drop coding or JavaScript.
