

## YEAR 9 SNACKS AND SONGS

**Year 9 held a Snacks and Songs event in Week 1 of Term 4.**

Each student showcased a piece of music on their instrument. They displayed an immense amount of talent, their willingness to support fellow class members and diligence to persevere. Parents, family and friends were invited along to support the year 9 students and this gave them encouragement and the feeling of success performing to an audience after all their hard work and rehearsal time. As the Year 9 music teacher, I can say I am astonished with their work ethic and ability to pull together a show, so soon after school holidays. They displayed maturity and developed musical skill.

Well done- Year 9 music!!!
