

NSW PSSA ATHLETICS

Six of our Junior School students represented the College and NSW Combined Independent Schools at the NSW PSSA Athletics Championships over the last two days.

Willow and Anthony ran in the 9 year 100m events yesterday, qualifying for the Semi Finals this morning. Willow placed 11th in NSW for the 9 year 100m sprint, narrowly missing a place in the

Finals. Anthony placed 2nd in his semi final. In a very close Final, he finished 8th in NSW in the 9 year boys 100m sprint.

Our Senior Girls relay team ran well in the heats and comfortably progressed to the Semi Finals. They placed 3rd in their Semi Final and qualified for the Final. Combining well as a team, the girls finished 5th in the State. Congratulations Ella, Ilana, Sara and Emiliija on your awesome achievement!

We are so proud of all these students. Well done!
