

NSW REPRESENTATIVES AT SCHOOL SPORT AUSTRALIA CHAMPIONSHIPS

Congratulations to Ella and Ryder who recently represented NSW at School Sport Australia Championships, which is the highest level in the Junior Sport pathway for Primary students.

Last term, Ella W represented the College in the NSW 12 years and Under Primary Netball team in Wollongong. NSW finished 2nd at the National Championships and Ella was named Most Valuable Player in the NSW team.

Ryder W represented the College in the NSW 12 year and Under Primary Boys Football team, playing in Perth earlier this term. The NSW team played some hard fought matches and came away with the Bronze medal at Nationals.

As a College we are very proud of both Ella and Ryder's exceptional performance at the National Championships.
