RELAY FOR LIFE

Relay for Life is a community fundraising event, raising vital funds for those impacted by cancer.

Organised and led by passionate, local volunteers, this event brings communities together, establishing unity to celebrate cancer survivors and carers, as well as recognising loved ones that we've lost, through the candlelight ceremony of hope during the evening.

This year, Thomas Hassall Anglican College has registered in the Fairfield Relay for Life on 19 November to support our local community, raise awareness and funds for cancer treatment and research. Cancer is something that impacts so many individuals and as such, this is a great initiative to be able to support and be a part of.

We are hoping to get as many students and teachers across Senior School involved in the fundraising for this cause. We also would like to welcome parents and other family members of students to register and participate as a part of the THAC team. Encourage your friends and peers around the school to get involved and support.

Even just a small amount of your time or contribution would make a great difference for this cause!

To register, [click this link](#) to access our home page. There you will need to click "Join Us" and then "Register Now".

Thank you for all your support!
